“Single Season Use” (SSU) and “Certified/Commercial Seed Only” (CSO) are licensing agreements that KCIA does not track or enforce. KCIA makes no guarantees regarding the completeness of this list. For ease of use, the list above is limited to wheat varieties certified in Kansas in the past three years. KCIA does not take any legal responsibility regarding the enforcement of any licensing agreement. Please contact the genetics provider with questions on any specific variety.

Rules for Conditioners regarding SSU/CSO Varieties:

Does the PVP “Farmer Exemption” apply to varieties with an SSU/CSO? –NO.

Can Conditioners legally clean a variety with an SSU/CSO for a farmer who intends to re-plant? – NO.

Can Conditioners legally clean a variety with an SSU/CSO for a Certified Seed Grower who holds a license for that variety? –YES.
